Panda Bear Kennels Inc. (Kathy's Dog Training, Kathy's Pet Services) offers cage-free dog boarding in a home setting, as well as dog training activities, and cat boarding. All efforts are made to ensure that this is a safe environment for your pet. If you are using any of our services (dog boarding, cat boarding, dog training), you must sign this waiver of liability indicating that you understand the following:

DOG BOARDING / DAYCARE

1. Accidents can happen. You are responsible for any damage your pet causes to another animal, person or property. Kathy's Pet Services will take all reasonable action to minimize risks.
2. Owners must confirm that their pet is not aggressive toward people and animals. Dogs must be obedient and able to follow directions. Any changes or problems in this regard should be reported to Kathy's Pet Services.
3. In the event of an illness or injury, we will take your pet to your listed veterinarian or the nearest available veterinarian. Owners are responsible for all veterinary costs. Owners or Emergency Contact persons will be contacted as soon as possible. If we are unable to reach either of the above, we will make decisions necessary for your animal's care. All costs will be covered by the owners of the pet.
4. All dogs and cats must be vaccinated for their own protection. Even vaccinated animals can contract communicable disease. Kathy's Pet Services is not responsible for any illness your dog might contract while under our care. Boarding may be cancelled if we discover a communicable disease among our clients. We recommend a Flea/Tick preventive product be used.
